*Dated Bangalore, the 14th September 1894.*

No. 3207—379-92. Whereas inconvenience is experienced, as the rules framed by the Resident in Mysore under the Excise Act, XXII of 1881, are scattered among detached Notifications, and whereas it is expedient to consolidate them and publish them in a connected form, the following rules framed by the Resident under the provisions of the said Act, are hereby published for general information and guidance in lieu of all existing rules relating to the subjects herein dealt with.

## PART I.

### The Sale and transport of Country Spirits and grant of "separate shops" and issue of Licenses and Passes.

I. The period for which a "Separate shop" shall be granted, shall be the period from the 1st April in any year to the 31st March following. Provided that, with the approval of the Resident a "Separate shop" may be granted for a period extending to the 31st March of the second or third year succeeding the date of grant. The number of such separate shops shall be fixed by the Collector with the previous sanction of the Resident.

II. The exclusive privilege of vending in "Separate shops" shall be disposed of by sale by public auction. The sales shall be conducted by the Collector or other officer authorized by him in that behalf, and the results of such sales shall be reported to the Resident's office without delay.

III. The terms and conditions of sale and the grant and issue of licenses shall be as follows:—

1. The exclusive privilege of selling country spirits in separate shops in specified localities shall be put up to auction at upset prices, and knocked down to the approved highest bidder above those prices, subject to the formal confirmation by the Collector who will be at liberty to accept or reject the bid without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may at the time of sale refuse to receive the necessary deposit which entitles a bidder to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former contractor who has been guilty of an infringement of the terms of his contract or of the Excise Laws or Rules shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down.

2. Parties intending to bid must attend either in person or by duly authorized agents, and no person shall be permitted to bid either on his own behalf or on account of any one else until he has deposited Rupees 50 for each separate shop in specified locality. The deposits made by the unsuccessful bidders and not forfeited as hereinafter provided, will be returned at the close of the sale. The

successful bidder must, on the exclusive privilege being knocked down to him, at once deposit a sum equal to one-twenty fourth of the amount of his bid, and within seven days of the date of sale, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent; and if he fails to do so, the deposits already made shall be forfeited, and the exclusive privilege shall be immediately re-sold or otherwise disposed of as the Collector may direct.

3. Re-sales effected under para 2 shall be at the risk of the defaulting bidder who shall forfeit all gain, and in the event of a loss by the re-sale, shall make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale; and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of Land Revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit shall be credited to Government.

4. The purchaser of the exclusive privilege of vend in each separate shop in specified locality shall sign an agreement binding himself to observe the conditions hereinafter set forth; and the agreement shall be executed within ten days of the expiry of the period of seven days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made shall be forfeited; and the exclusive privilege shall be re-sold at the risk and loss of the first purchaser as set forth in paras 2 and 3, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it shall be binding on his heirs or assigns.

5. As soon as the agreement has been executed, the Collector shall issue a license in the appended Form A, to the purchaser of each separate shop, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1.) The exclusive privilege shall extend only to the sale of country spirits ordinarily of 20° under proof, and with the special permission and passes of the Collector or other officer authorized by him, to the sale of double distilled spirits, and "Milk Punch" in bottles duly corked and labelled in the Central Distillery.

(2.) The amount for which the privilege has been purchased shall be payable into the Resident's Treasury on the prescribed printed chellans, in equal monthly instalments commencing from the first month of the contract. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 15th of the month following. The chellans shall be in triplicate in the appended Form B. The original shall remain in the Treasury, the duplicate shall be forwarded by the Treasury Officer to the Collector's office, and the triplicate retained with the renter. Printed chellans shall be furnished to the shop-keepers by the Collector.

(3.) The deposit of two months' rent made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the contract. Failing payment of each monthly instalment by the 15th of each month, the Collector shall recover the same under the rules in force for the recovery of Land Revenue, together with interest at 6 per cent per annum. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(4.) *(a)* The licensee shall purchase the spirits, at the prescribed rate from the Manufacturer or obtain the same from a Bonded Depot established as hereinafter provided.

(*b*) The above rate is in addition to Excise duty which shall be prepaid into the Resident's Treasury, or with the permission of the Collector, to the officer or contractor in charge of the Bonded Depot, at the prescribed rates, before the removal of the spirits from the Distillery or from the Bonded Depot established as aforesaid.

(*c*) The licensee shall sell the spirits to the public at the rate of Rs. 5—5—0 per gallon of 20° under-proof or such other rate as may be fixed by the Resident from time to time, and proportionately for higher or lower strengths.

(5.) The licensee who obtains his supplies from the Distillery shall pay the above duty into the Resident's Treasury and obtain a receipt in the appended Form C, which shall be in triplicate, the original to be retained in the Treasury, the duplicate to be delivered to the officer in charge of the Distillery, and the triplicate to be retained with the licensee. On production of such receipt and an indent for the supply of the liquor covered by the receipt, and on payment of the price of such liquor to the Manufacturer or his agent at the prescribed rate, obtaining a receipt from him therefor, the Assistant Supervisor or other officer in charge of the Distillery shall issue the quantity of liquor covered by the amount of duty shown in the Treasury officer's receipt, and he shall forward the Treasury receipt to the Collector's office under the endorsement of the Assistant Supervisor or other officer aforesaid as to the date and hour when the liquor was issued. The Assistant Supervisor or other officer aforesaid shall then issue a Rahadari in duplicate in the form hereinafter provided for the transport of liquor from the Distillery.

(6.) The licensee who gets his supplies from the Bonded Depot shall pay both the price and duty at the prescribed rates into the Resident's Treasury or to the officer or contractor or agent in charge of the Bonded Depot if such officer or contractor or agent has been duly authorized to recover them and obtain a receipt in the appended Form D, which shall be in triplicate, the original to be forwarded to the Collector's office, the duplicate to be delivered to the official or contractor in charge of the Bonded Depot, and the triplicate to be retained with the licensee. On production of such receipt and an indent, the officer or the Government contractor or his agent in charge of the Bonded Depot shall issue the quantity of liquor covered by the amount of price and duty shown in the receipt which shall be dealt with as laid down in the last preceding clause. The liquor shall be covered by a pass in duplicate as hereinafter provided.

(7.) (*a*) Government may establish a Depot in the Civil and Military Station of Bangalore, and arrange through a Government contractor or agent to supply such Depot with the liquor required for the use of the separate shopkeepers in specified localities. The Depot shall be called a "Bonded Depot." The collector shall have the power to alter the location of the Bonded Depot, should such a step not involve additional expenditure in carriage or storage.

(*b*) The establishment at the Bonded Depot shall be under the orders of the Government and of the Government contractor or agent where one has been appointed for the working of the Bonded Depot.

The license to be issued to the liquor distributing contractor's agent in charge of the Bonded Depot shall be in the appended Form E, and the Bond to be executed by the contractor shall be in the appended Form F.

(8.) The spirits shall be sold as issued from the Distillery or Bonded Depot, and shall not be adulterated or diluted in any manner in shops.

(9.) The licensee shall keep true accounts of the quantity and strength of the spirits purchased by him and issued.

(10.) The spirits shall not be sold except in shops duly licensed by the Collector in the prescribed form.

(11.) The Collector may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(12.) The licensee shall be bound by the provisions of the Excise Laws and Rules in force or by any additional rules which may from time to time be prescribed under the Excise Laws. The licensee, shall use such measures as may from time to time be prescribed by Government. The present measure is fixed at 51 drams per Imperial Gallon. He shall also provide himself with printed forms of account and permit or passes for transport of spirits, which forms shall be purchased from the Head Supervisor.

(13.) The remaining terms and conditions shall be as set forth in Appendix A.

6. When a lease is cancelled, the rent for the whole period of the lease shall become due at once, and all loss thereby caused to Government shall be made good by the licensee in the manner specified for re-sales under para 3 above. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of Land Revenue.

7. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the Excise Laws for the time being in force.
